2. **We** will always decide on the best possible way of offering assistance, after taking into account individual circumstances. If the assistance that **We** offer does not suit your requirements then you may request alternative assistance which is to be arranged by **You** at **Your** own cost.
3. We do not accept any liability for any pets, animals or livestock within the **Vehicle** at the point of **Breakdown** or during any subsequent recovery (where applicable).

6. **We** reserve the right to refuse, and/or cancel a **Policy** if anyone behaves inappropriately towards any employee or representative of **Ours** by, including but not limited to, acting in a threatening or abusive manner, whether physically or verbally or;
